PHILADBLPHIA, January 5.

Yefterday a bill providing for the admission of the diffrict of Kentucky into the Usino, was read a first and ferond time in the Senate of the United States.

The committee of the Senate to which was referred the report of the Senate to which was referred the report of the Senate to which was referred and the form of the Senate to which was referred to the American Senate of the Treafury, on the fobject of a National Bank, reported a bill on Monday 1st, which was read the first time, and 150 copies ordered to be printed for the members of the legislature. JANUARY 8.

On Wednelday evening arrived in this city Lieut. Armstrong, of the Federal troops, with a letter from which the following is extracted:

"Head Quarters, Fort Washington Nessenber 23, 1790, "On Thursday the 30th Sprinters," 1 took the held with fach of the Federal Troops as were then affected.

"On Thursday the joth September, I took the held with fach of the Federal Troops as were then affembled at Fort Washington, confusing of two butalions, commanded by Majors Wyllys and Doughty, with three limits pieces of ordinance, viz a fix pounder, a three pounder, and a five pounder, and ene half inch howirz; together with Capt. Ferguson's company of artillery making in the whole the bundred and twenty men, including non-commissioned officers. With this force I immediately proceeded to join the military made to command of Col. Hardin, whom I had but in mution the 26th, and ordered to advance along what noder the command of Col. Hardin, whom I nad pot in motion the 16th, and ordered to advance along what is called "Clark", Old Trace," for about five and twenty miles, there to halt till further order. The millius had been draughted from Kenrucky, and Pensfylerains, and both together amounted to 1133 men. Many of the former were fubficients, and by 30 men. men. Many of the former were than the gen-means equal, either in spirit or appearance, to the gen-means equal, either in spirit or appearance, to the gen-means equal, either in spirit or appearance, to the gen-means equal, either in spirit or appearance, to the gen-means equal, either in spirit or appearance, to the genmeans equal, citat in pair.

My whole force was then fourteen hundred and lifty three (including two then fourteen hundred and lifty three (including two troops of cavalry) but from this number we may fafely deduct two hundred of the militia as good for no-

"I detached Col. Hardin with 600 men composed of 50 federal troops, and 550 militis, 100 of which were mounted. The object was to reconnoiste where mounted. The object was to reconnoiste while the army advanced. We marched about 9 miles this day, purfuing pearly the courte of yesterday—the results rains.

ecather rainy.

"A diffract arrived on the 16th from Col. Harin informing me that the favages, and the tra-

had eracusted their towns, with appearances of preipitation, and burst the principal village, called Omee town, together with all the traders boufes. "On Sonday the 17th entered on the roins of

"On Sonday the 17th entered on the rains of the Omee town, or French village, as part of it is Melfed, Appearances confirmed accounts I have received of the confitenationa into which the favages and their trading allies had been thrown by the approach of the army, Many valuables of the traders were defroyed in the confisions and safe consistent of company and table received. Many variables of the traders were delitoyed in the confusion, and vaid quantities of com and other grain and vegetables, were feetired in holes dug in the carth, and other hiding places. Col. Hardin rejoined the Befides the town of Omee, there were feveral other

Beildes the town of Omee, there were feveral other villages fituate upon the banks of the rivers. One of them belonging to the Dunc Indians, called Keginogue, was transing, and contained 30 hoades, on the bank opposite the principal village. Two others, confiding magether of about 45 hoafes, lay a few miles up the St. Mary, and were intabiled by Delewares. Thisty-fix hoafes occupied by other favages of this tribe formed another, but feattered town, on the call had for the St. Joseph, two or three miles N. 180m the French village. And about the faine distance due to the Omee tiver, lay the Shawine town of Chillakothe, of the St. Joseph, two or interface down french village. And about the same distance down the Once river, lay the Shawin town of Chillakothe, on the other bank of the river, were r6 habitations mote, belonging to Gargga of the same nation. All these lordered to be born during my flay these, together with great quantities of corn and vegetables hidden (as at the principal village) in the earth and other places, by the same greatly there were not less than 20,000 bushels of computed there were not lefs than 20,000 buffels of corn in the car, which the army either confumed or

ed. by the cavalty; and another was killed at night. We loft a great number of hories at this time, occasioned by the orgligence of the militia guards, and their difficulties.

by the eggigence of the hands was detached with 18c
"On the 19th Col. Hardin was detached with 18c
men, taken from the Pennfyltania and Kentucky milli-tia, and 30 federal troops commanded by Lieut. Arm throng. Part of the detachment proceeded about ter firing. itrong. Part of the detachment processed about ten miles wellerly of the main body of the army, now-potled at Childheube, the Pennfylyanians, who formed the left column, having fallen fome miles in the rear) when a body of Indians appeared and advanced to the attack; and though the enemy did not, as it is believed, exceed a hundred and thirty, yet the military made no refigence have field leaving the handful of

believed, exceed a hundred and thirty, yet the militial made no relitance, but fied, leaving the handful federal troops to their fate; feven only of whom escaped. The militia loft but few men; among their fell, lamented by his acquantance, Capt. Sorts, of the militia, fon to Gen. Scott of Kenneky. I am not informed of the loft fellawed by the favages; but I conceive it could

"Incented at the difference of condect of the militia, and determined to prevent, if politible, a repetition of it upor any future occasion, Irreptented it in my next orders with great, feyerity. The measure, though hatth, will appears have been needfary. It opperated as a finantial so wipe off the food flain, which the reputation of the militia had occured.

"The great chief of the expedition being now completely effected, that is, the definition of the Omee towns, and the provisions hid up for their fabilitance. On the 21ft the army began to return towards Fort-

towns, and the provisions laid up for their fishfilance.
On the 21st the army began to return towards FortWalkington by the rotte they come.
'It was originally no intention, to have returned
by the way of the Onintranos (commonly called the
Weeabl towns on the Wabash; and break them up also.
Major Hamtranack, commanding at Onintranos, (Vincennes) had been periodicy ordered to make a movement towards them with the troops under his commandajoo militia from Kentuckey were ordered to reinforce
him. The movement was intended as well for a divifion to prevent an union of the Indian Grength, as for
the purpose of effecting a junction with our whole
force, in case I should have judged it advisible to enter the country of the Onintons. Circumfunces howtorce, in cafe I should have judged it adviable to enter the country of the Onixtons. Circumfances however rendered it impredicable for me to attempt it, at this time with any tolerable protect of fueefit. The burfes of the army were now, by various canfet, reducted to two thirds of their original number, and the

horfes of the army were now, by various casles, reduded to two thirds of their original number, and the remainder so wors down with hard fervice, as to preclude the possibility of rasping much farther benefit from them. I have not yet received any communication from Major Hamitamack, not withstanding the long laple of time since he was order so to march.

"On the 210 Colbor, the army decamped from Chillakothe, retarning on the root we had come shout 8 miles. Here we remained till the 23d. Finding, in the mean time, that the enemy studiosoft around coming to a general selion; and conceiving it improper to leave them in the quit injoyment of their late of the comment of the studies of the conting to a general selion; and conceiving it improper to leave them in the quit injoyment of their late success, I resolved to make an effort to bring on another them to be a studies of the success. I resolved to make an effort to bring on another them to be a studies of the success of the success

all events, and to be fearing to the favages. Annual tend to leffen the number of the favages. Wyllys, was fent back to the town where they strived early in was fent back to the town where they strived early in was fent back to the town where they strived early in was fent back to the town where they strived early in was fent back to the town where they strived early in was fent back to the town where they strived early in was fent back to the town where they strived early in was fent back to the town where they arrived early in was fent back to the town where they arrived early in was fent back to the town where they arrived early in was fent back to the town where they arrived early in was fent back to the town where they arrived early in was fent back to the town where they arrived early in was fent back to the town when they have the was the striped of the striped town. troops and militia under the command of Maj. Wyllys, was fent back to the troops where they arrived early in the moming of the and party of Indians was different which the militia stracked rin the mean time a large party of Indians came round upon the bace of the regular troops where Maj. Wyllys commended in perfon and attacked them with streffishle impensity, the militia not being in a finantion to give affinance, the regulars were compelled to retreat with great loft. fon and attacked them with irrefitable impetunity, the militia not being in a fination to give stiffance, the regulars were compell '0. to retreat with great lofs. Maj. Wyllys fell early in the attack—the Serjeant, who belonged to the party which Liest. Frothinghan particularly commanded, fays, while they were retreating Lieut. Frothingham called to him, faying, "41 am wounded, you must take charge of the men." A foldier who belonged to the fame party, fays be was along fideo I Lieut. Frothingham in the retreat, paffed a large field to the fame party, fays be was along fideo I Lieut. Frothingham in the retreat, paffed a large fiream, but did not obleve that he was wounded; a fream but did not obleve that he was wounded; a batter he paffed the flicter and that he was taking command of the men; but another foldier fays he faw him fitting near the banks of the river, pale, pleeding, and faid he was morrally wounded.—From every circumfance! conclude he was wounded before he paffed the river; but did not bleed fo much as to present making every effort to repulle the enemy, and further refitance became impracticable, and that by this time the lofs of blood had nearly clefed the fene and compelled him to feat himself and calvaly to wait the expiring moment. There is a positivity of his being fill alive, but I prefume to hear he had calmuly refiged his life, to the greater roprieter of all autors would be left gloomy than to caretain the alarming idea of his being alive and fubice to all the crutiles of more than favie are hardward be being how the he had he he had fall afformed which and fubject to all the cruelties of more than and fubject to all the crostics of more than favage barbarjans, particularly under that full affurance which every one acquainted with him muth have, that accord-ing to the best of his abilities, he had performed the part affigured by the great Director and answered every number for which he can that the particular at the purpose by the great Director and aniweren every purpose for which he came into this world, and that he must be now takely landed on the bliftful shore of a happy eternity.

Permit me to mingle a fympathizing tear with

"Permit me to mingle a fympathizing tear with the parents, relations and friends to his memory, and add as a tribute due from me to him, that ea amo of abilities to which he had added a handfome education, as a confidential active and perfevering officer, his death is most finerely lamented in the army, and as a member of fociety, in him we have to lament the lost of an amiable example of every moral and focial virtue.

Another letter fars, —that at this place he defined the ferjent to take charge of the men, adding he had received a ferond wound.

Extract of a letter from Governor St. Clair, to the Secretary of War, dated Marietta, Nov. 26.

"If the report refrecting Major Hamtsmack be near the truth, that be had deltroyed four of the Indiana village, and all their provisions, and had returned without the lofs of a man, the facecas will then have been as completer as it could have been withed; and the first newaye final hear from the Indiana, will be a home the first newaye final hear from the Indiana, will be a home ble funylication for peace: Shoull that however, not happen foon, I will find means to let them know, that it will not be refuifed, if they deare it on reasonable trust.

Those who were disappointed, as se challing Ticks ets, in the rile Clafs of the Mentley Latery (as well as sheep) may prevent a familar disappointment, by pur-hading early in the Sean-Angual Lortery, the Tickets

n which fell fatt.
Cipt. Seth Davis, who arrived at Providence; the ch int in 32 days from Boordeaux, informs, that Or-der and Tranquility were reflored in France, and that the proposed new Form of Government (by a Conflita-tion would undoubtedly take place:
